EXAM DAY

What do exams involve

Exams are for age levels “pre-junior” and up. I would like to inspire dancers at Victory Performance Centre to work towards achievable goals and develop an ethos of “trying your best”. An exam is an opportunity to put this into practice. It establishes a time frame, a task and an intention.

We are working on exercises and routines in class, which they will demonstrate in small groups to an “examiner” in a very relaxed and encouraging environment.

They will receive a certificate and rosette for their efforts and even more important a feeling of accomplishment and pride. Highest marking students will also be given special mentions at our end of year awards. Dedicated students who complete their practice card will go into the draw to win a “performance package” valued at \$400 (*this includes 5 private lessons, practice videos and music editing; for a competition ready stage routine*)

Exam Costs

- 1 Exam per Student = \$40
- 2 Exams per Student = \$70

PRACTICE VIDEOS

EXAM PREPARATION

It is expected that the dancer rehearses in their own time in addition to class time. I would recommend at least 2-3 times a week (10-15minutes). Your Jackrabbit Portal has a (YouTube playlist) link attached to the student's enrolled class with videos of ALL of the exam exercises and dances for reference.

Once you have registered for your exam with the link above you will receive an exam practice card.

- I have made an entry and paid for my exam
- I have received my practice card and started practicing my moves and my smile
- I have a uniform and shoes to wear for my exam
- I have dressing gown to wear on top of my dance outfit (heaters will be on at the venue)
- I have packed hair items: *hairbrush, hair ties, gel, hairspray, bobby pins, bun pins and hairnet*
- I have named all of my items (including water bottle) and outfits
- I have submitted my practice card to go into the "performance package" draw!
- I am ready for my exam!
